

THANK YOU TO OUR SUPPORTERS

The generosity of WFO's members made a quantum leap this past year. Our first ever birdathon was a great success, bringing in \$32,000. Then Ron Mallory's challenge has so far brought in another \$10,000, a figure still growing. The challenge is open until 15 May 2022, at which time Ron will match the final number. Thus even with inflation spiking and the covid-19 pandemic dragging on, WFO is in a strong position to sustain and even expand our publications and programs. The board of Western Field Ornithologists and the editorial team of *Western Birds* are deeply grateful to the following contributors for their financial support in 2021:
